

Arlington Neighborhood Village
Making Arlington your home for a lifetime

Volunteer Application Form

Thank you for your interest in volunteering with Arlington Neighborhood Village! Volunteers are essential to the organization—not only providing direct services that keep our members safe and engaged in their own homes—but playing vital roles behind the scenes to help run the village. We are so grateful for our dedicated volunteer corps!

Please fill out the short form below or download the PDF to fill out the [ANV Volunteer Application Form](#) offline. After we receive your completed form, we will contact you to schedule a one-hour training session. Thank you!

How did you hear about ANV? *

What days/times are you NOT available as a volunteer? (e.g. week days, weekends, evenings.) Remember, you will be able to pick and choose which requests fit your schedule. *

Volunteer Interests *

Our volunteer program is designed to be flexible and work with your individual interests. You indicate which types are service requests you'd like to fulfill, and the ANV office will send you emails with only those types of open requests. You simply choose which one(s) you are interested in and will fit into your schedule by replying to the email. Please indicate what type(s) of service requests you are interested in fulfilling by checking the boxes below. Those will be the ones which you will be notified about. You can always change your selection of interests at any time. Please note: Volunteers must be 18 years old; 21 years of age to serve as volunteer drivers.

- Volunteer Driver: This is ANV's most requested service. Drivers are very important to our village and much appreciated. Volunteers take members to and from appointments, the grocery store, and ANV social gatherings. Please note: we mostly need drivers who are available during business hours, Monday-Friday. Please consider this when signing up for this service.
- Errands: Picking up prescriptions, dropping off items at Goodwill, picking up library books, etc.
- Technology - Non Computer: Help with the remote control, thermostat, DVD player, smart-phone, etc.
- Technology assistance for a PC
- Technology assistance with a MAC
- Home Checks: Going by a member's home when they are out of town, gathering newspapers, packages, checking on the property (exterior only)
- Home Chores (no tools): Helping to get things from the attic, change a light-bulb, switch seasonal clothing, etc.
- Home Maintenance (need tools): Hanging pictures or shelves, installing a grab bar, etc.
- Occasional Yard & Garden work: Raking leaves, shoveling, or clearing branches after a storm. Assisting with planting flowers & light gardening. Not to replace regular landscaping/yard maintenance.
- Home Organization: These requests are for more indepth help organizing, going through paperwork, helping a member downsize and/or organize their home. These will likely be recurring visits. There is an additional training that Home Organization volunteers must take. Because this can be an emotional process, Home Organization volunteers must be ok with slow progress, have patience, and an interest in developing trust and rapport with a member.
- Friendly Visitor: Volunteers spend about an hour at a member's home visiting with them. Can be a one-time occurrence or recurring. A great way to build connections and friendships with members.
- Walking Buddy: Similar to a friendly visitor, volunteers go to the member's neighborhood and spend some time walking and chatting.
- Office: Office volunteers have a set three-hour shift one time per week. They answer the phones and take member requests, enter them into the database, and send requests out to volunteers. Office volunteers have an extra training session and shadow a current volunteer to learn the ropes.
- Office - Special Projects: Help with bulk mailing, filing, assembling packets, etc. Does not require extra training.

Special Interests

Volunteers play a role in every part of the organization, from finance to organization social events. If you have a skill or passion, ANV can use it. We love finding opportunities for volunteers to share their interests and expertise. Please note here any work experience, hobbies, or interest areas that you would like to share with the village.

If you have indicated above that you would like to provide transportation as a Volunteer Driver we will need the following information:

Driver License (state and #):

License Expiration Date:

Insurance Carrier and Policy Number:

Insurance Expiration Date:

Submittal Instructions:

- When you have completed this form, save it using your last name followed by ANV as the filename e.g. JonesANV.pdf
- Please attach the completed application form to an email and send it to volunteer@arlnvil.org
- If you prefer to return it by mail, please send to Arlington Neighborhood Village, 2666 Military Rd, Arlington, VA 22207
- If you prefer to conduct a phone interview with ANV in lieu of completing this application, please email our Volunteer Coordinator, Noël Durman at noeldurman@arlnvil.org
- Questions? Email Noël Durman at noeldurman@arlnvil.org or call the office at 703-509-8057.
